Welcome to this 1960's original home. Untouched, unapologetic, and packed with potential. This kind of home we don't see very often anymore.

Four genuine bedrooms, one family bathroom, large open plan kitchen, dining, lounge. Solid bones, big proportions and that unmistakable old school charm that takes you straight back in time.

You've got the original features, the retro details and the layout that just makes sense. It's ready for someone with vision, someone who can see beyond what it is now and imagine what it could become. Whether you're dreaming of a full modern transformation, a mid-century revival or simply rolling up your sleeves and adding value overtime
